20th-Century Fox Considers Filming Of Semi-Documentary Story on Nisei

HOLLYWOOD, Calif. — The 20th Century-Fox studio registered an idea with the Johnston office for a semi-documentary motion picture concerning the Nisei, the Pacific Citizen was informed last week.

The proposed production is still "just an idea" of Darryl M. Zanuck, producer in charge of the studio, and probably will not be scheduled for a year at least.

Mr. Zanuck, producer of "Gentlemen's Agreement", a film on anti-Semitism which was one of the outstanding films of 1947, has made another film on American race problems, "Pinky" dealing with the Negroes. He also produced "Daisy Kenyon" which included a sequence on discrimination against the Nisei which was not in the original story.

Although Jimmie Fiddler, Hollywood news comentator, declared in a recent broadcast that the film would result in "fireworks" on the Pacific Coast, an official at 20th-Fox declared that no plans had been made on the film. He indicated that the project was still in the idea stage and that there was no assurance that a film would be made.

Exponent of "Buxom Look" Has New Idea Designs Swim Suits from Discarded Ties

By STAFF WRITER

Have you got any ties you don't wear? Perhaps there's a cravat that you got for Christmas that you wouldn't even hang yourself with. Every man has, and if you don't need it, Jack Lee, otherwise Jack Nakamoto, the "Our Little Woman" columnist down in London, Ontario, has good use for it.

He's fashioned bathing suits out of them, not only men's trunks but women's two piece affairs.

Last week, the London Free Press carried a large cut of two models; a man and a woman, wearing swimming apparels made by Jack, taken by the waterside. And it got quite a notice. In fact, the Canadian Press is reported to be interested in getting this novel creation as an idea for an article to be used in leading dailies across Canada.

Not only can you wear them, you can also swim in them without fear. He gave them the salt water test to see if the colors run and proved them to be colorfast.

If you're interested, the trunks for the man took exactly a dozen ties, while the women's took 15; 13 for the shorts and 2 for the bra. He admits they weren't all his ties, he picked up unwanted neck-chokers from his frineds.

For the trunks, Jack chose masculine-looking patterns and shades to assemble the beach wear. For the girl's, he modelled the apparel with the buxom look theory in mind. Even the shoe string ties on the bra and trunks are fashioned of colorful ties.

The Weekly Habit

By Toyo Takata

An annihilating Liberal tidal wave all but obliterated the other parties in its sweep from Newfoundland to British Columbia. After rampaging through Duplessis' Quebec and smashing Tory strongholds in Ontario, the turbulent surge gushed westward uprooting the CCF stakes in Saskatchewan, dented the Social Credit dyke around Alberta and with its final splurge knocked off a few more CCF from an already badly-shaken socialist limb in B. C.

That about sums up the Liberal triumph as they grabbed more seats than anyone else in the history of Canadian federal elections. And as far as this column is concerned, these are the final [illegible] on the election which has plastered the dailies with [illegible], infant-kissing and [illegible]-a-wonderful-man life-size [illegible] of our political travel-[illegible] salesmen.

While the PC's console each other after the disaster with its a return to the two-party system' and a blow against socialism, we wonder if this is actually so. The universal trend is towards the left as evidenced by such as the Truman upset last year over the heavily favored Dewey.

Taking the Toronto situation as an example with which we are most familiar, we know that many Liberal votes were cast to keep the PC's out of power. These votes were not so much an endorsation of Liberal policies, rather it was the fear of PC strength in a traditionally Tory Toronto. And quite a number of Nisei votes goes into this class.

The overall voting strength of each party in Toronto shows that both Liberals and CCF gained over the 1945 figures while PC's showed a decline. The result was that Liberals captured seats in Toronto from the PC, and in the others the margin of the PC retentions were greatly reduced.

Generally speaking, the election did not produce any important or clear-cut issue. The Liberals stood pat on their record while the PC's and the CCF's took swipes at the same and at each other. The PC's brought in the North Star and dollar devaluation as election points but the public on the whole, didn't understand and even more, didn't care.

Most of the fireworks were provided right here in Toronto as the three newspapers stepped up their shooting war and had most of their linotypists punching out fresh insults. And such local issues at the "Two Georges" and the Charitable Foundation entered the national picture but which was only understood in Toronto.

Anyway, it gets us down to our thought, what this town needs is a completely independent newspaper so that we can find out what's going on here.

NISEI ELECTION COMMENT:

Margin of Liberal Victory Was Unexpected

BY STAFF WRITER

"I figured that the Liberal party would return to power, but I didn't think that it was going to be a push-over for them. But the CCF didn't do so hot, did they?" was the Nisei's general comment over the election results as they showed no outward elation or disappointment over the Liberal landslide victory. That about sums up the reflection of the Japanese-Canadian voters who, by all appearances, turned out in a much higher proportion than the national average to exercise their right as citizens.

However, there were some expressions of disappointment over the failure of those who have championed the rights of Japanese Canadians such as Andrew Brewin in the St. Paul (Toronto).

On the other hand Angus MacInnis in Vancouver East and Ross Thatcher who assisted the Japanese at the Moose Jaw hostel were among those who survived the CCF depletion at Ottawa.

A recount in Burnaby Richmond riding in B. C. gave that seat to Mrs. Dorothy Steeves, CCF.

In the Toronto Spadina, David Croll as expected won an easy victory as Bill White, CCF, the first non-Caucasian to contest a federal election lost his deposit.

L. S. Turcotte, Liberal, was defeated by the Social Credit incumbent at Lethbridge. He has been associated with the property losses claim for Japanese Canadians in Alberta.

Known to the Japanese Canadians for their one-time anti-Japanese statements in the House of Commons, Howard Green, PC, and Tom Reid, Liberal, were successful candidates in B. C.

Two Japanese Nurses To Study at Toronto

TOKYO — Two Japanese nurses, recipients of scholarships, are reported here to have left for San Francisco en route to Toronto on June 19. They are to enroll at the University of Toronto.

The nurses are Ayako Mayeda of Kyushu and Sueko Mamiya of Shizuoka.

100 Girls in Odori But Not One Nisei

NEW YORK. — One hundred New York schoolgirls, from five to thirteen years of age and clad in gay kimonos, performed Japanese dances at the annual festival sponsored by the New York City Park department at Central Park recently.

The girls, none of whom were of Japanese ancestry, used 100 parasols sent to the children of New York by the children of Gifu City in Japan. In turn, the New York children, purchased candies and cookies which were flown to Japan.

Japan Ace Swimmers Seek Travel Permits

TOKYO — Japan's five collegiate swimmers applied to General Douglas MacArthur's Occupation headquarters last week for permission to journey to Los Angelese for participation in the AAU swim championships there on August 16.

The Japanese aquatic stars also hope to participate later in the international swimming championships to be held in Honolulu. The five collegiate titlists are Hironoshin Furuhashi, Shiro Hashixume, Yoshijiro Hamaguchi, Shigeyuki Maruyama and Yoshikazu Kawaguchi.

The quintet has invitations from the AAU and the Hawaiian swimming committee. If permitted to leave Japan, the five swimmers would be the first Japanese athletes to go abroad since the war.

Hamilton Completes Japanese Directory

HAMILTON. — An 18 sheet mimeographed Japanese directory containing 1021 names of residents in Hamilton including the patients at the Hamilton Mountain Sanatorium has just been published by the Showa Club. The directory was compiled through the voluntary efforts of the executive committee of the Kyowa Club.

Among those mentioned for assisting in the compilation are C. Aoyama, G. Honda, Y. and K. Fujimoto and Miss N. Yamashita.

"Tokyo Rose" Witnesses Arrive in Frisco As Prosecution and Defence Prepare for Trial

SAN FRANCISCO, Calif — A defense demand for information on the identity of prosecution witnesses for the forthcoming "Tokyo Rose" treason trial of Mrs. Iva Toguri d'Aquina was rejected by Federal Judge Michael J. Roche last week. The judge, however, directed government attorneys to supply defense counsel with a list of witnesses three days before the trial in accordance with established custom.

The trial is scheduled to start July 5.

Meanwhile, 19 Japanese who are scheduled to testify at the "Tokyo Rose" trial as witnesses for the prosecution arrived here by air on June 19. The group which arrived from Tokyo is believed to include several American-born Japanese residents of Tokyo who were employed by Radio Tokyo.

It is also reported that two Nisei who returned from Japan last fall as government witnesses when Mrs. d'Aquino originally was scheduled to go on trial will also be called to testify.

Other government witnesses from Australia and various sections of the United States also are expected to arrive shortly.

Commenting on the arrival of the government witnesses from Japan, defense counsel for Mrs. d'Aquino said that the government would not permit them to bring defense witnesses from Japan. Instead, Theodore Tamba, San Francisco attorney, spent several months in Japan obtaining depositions for use by the defense.

Although defense counsel have been unable to obtain permission to bring defense witnesses from Japan, 17 persons now in the Uited States are being subpoenaed to testify for the defense at he forthcoming trial. Of the 17, five are Niseis.

その家

先生はなかなか戻つて来ない。臺所で自分で茶の支度でもしてゐられるのであらうか。

八十二は、どうぞ構はないで頂きたいと斷るのであつたと、世間馴れぬ自分の迂濶さを悔いながら、心は相變らず「杉野」と「松野」の相似のことばかり考へてゐた。

——もしかしたら、この邊が三ノ二〇一と言ふ番地に當るのではないだらうか？……

しかし、もしさうだとしたら、一體どう言ふことになるか。

まことに驚くべき信ずべからざる事態がそこに成り立たねばならぬ。

先生はまだ戻つて来ない。

八十二は、ちよつとためらつてから、上衣のかくしに手を突つこみ、そこから、今朝彼のところに屆いてゐたその女文字の手紙を取り出した。

裏の住所姓名をもう一度しらべて見る。

「あつ。」

と彼は小さな聲を出した。

「松野啓子」と彼は讀んでゐたけれど、その達筆にくづしてある女文字の最初の字は、よくよく見ると「杉」とも讀める。いや、さう思つて見れば「松」によりは「杉」に讀める。

杉野啓子——さうときまれば、いよいよこれはどう言ふことになるのか。

八十二は封筒をあわてゝかくしにしまつた。

先生は和服に着換へて戻つて来た。

「やつぱり何でせうな、駒木さん。」

と、坐るなり、先生は言ひ出した。

「試合なれと言ふことも必要でせうな？」

「それはたしかに必要です。」

八十二はどこか上の空で答へた。

「いや、それについてです。」

先生は、膝を進めるやうにして、

「どうでせうな、またこの次の土曜日あたり、どこかと試合することにいたしましては？」

「それは結構だと思ひます。」

八十二は、心の混亂とは別に、話が兒童たちの野球のことで具體性を帶びて来ると、自分も少し膝を乗り出した。

「當分週に一度くらゐづつ試合をやつていただければ、練習にも熱が加はるでせうし、技術的にも大いに役に立つと思ひます。試合なれることはたしかに必要ですから。」

「さうですか。では、早速どこか適當な學校を探して申し込むことにいたしませう。」

先生がさう言つた時、表の格子が——たしかにこの家の表の格子が開いた。

「ただいま。」

玄關へはいつて来る靴音と一緒に、若い女の聲でさう言ふのが聞えた。

竹の子のへんてつもなく伸びにけり　（子規）

子供の誕生日にワイフがこしらわてくれた御馳走のなかに竹の子の輪切りが入っているのを見て、フトこの子規の句が浮び上つた。

筍といえば私の故郷にも少しは出来る。ちょうど今頃出盛りであろうか。真竹である土を掘つて二、三寸伸びた頃深く根元から堀りおこして柔いところを好みの料理に作ると何んともいえない風味があるものだ。

竹藪が目的であるから竹の子のシーズンには虫のついたのや良いのでも野菜の間引き程度に堀るのだから、市場え出す程に多くは期待出来ないのである。

一人前の竹の背にのびると節から竹の皮が自然にはがれて落ちて来る。これがまた相當の収入になるので竹の子のシーズンには無暗に他所の領内の竹藪に入る事は出来ない村の掟があつた。

ビワ湖に注ぐ愛知川が春から夏にかけて増水するので両岸の土砂の流失を防ぐために植林したということだが、そこには厳然たる區切りがあつて、それ／\所有主もある。

區切りもまち／\で三角、四角、長方形のやヒシ型など出たり入つたりして小競り合う原因を作つている。そしてエーからビーえ、ビーからシーにと賣買されて境界線はときおり變り、自然と所有面積も變るわけである。

チエッコスロバキヤは、ドイツの横ッ腹に突きつけたロシアのピストルだと戦前いわれたが、あの邊の地圖を見るたびに、その大小は別として私は故郷の竹藪の區切りや小競り合いを憶い出して苦笑するのである。

ところが面白い事に山林や農園と違つて、境界線があろうとなかろうと網の目の様にハビコつた根から、文字通り雨後の竹の子はニョキ／\とぞく／\生して来るのである。

地上には區切りはあつても土の中まではどうする事も出来ず、エーの領内の肥を吸つた根はビーの領域に出て来て悠々と生長し、またビーで肥をとつたのがエーの領分に伸びたりするのである。

地上では表面の所有主が、これは自分の竹の子であり、竹の皮だという風に所得するのである。村全体の竹藪を上中下の三段階ぐらいに等別して賣りさばき、その収入を所有面積に比例して分配すれば境界線上にも肥大な竹がのびる事が出来るのだが、やはりお互の小さな區別けに立ちこもつてテンヤワンヤの小競り合いをするのが人間の本性らしい。

私は小皿に盛つた竹の子の最後の一片を惜しむようにポリ／\かぢりながら思うのであつた。――世界を一ツの國家とする理想は現實とは大分遠い、しかし美しい夢だけかも知れないと――。（六・一五）

損害賠償問題に關する バード判事と會見顚末

全加市協の小畑前會長が説明補足

全加市協の田中書記長、小畑前會長及トロントの賠償要求者特判委員會の新善太郎氏が五月二十日賠償要求調査員バード判事とトロントで會見した顚末は五月廿三日のニューカナディアンに報道したが、右に關して小畑前會長から市協執行委員會に提出された報告書の大要も發表する事に執行委員會で決定したので其の内容を次に掲げる。

×

▲バード判事と會見の目的は（一）判事から提議された賠償率に不滿足な要求者があること及び（二）不滿の理由と要求者の中に提議されている解決方法を受諾出來ぬと感じているものがあることを判事に知らせ（三）判事に對し要求者が受諾出來るほどに賠償率を增加することを再考してくれる樣要請する爲だつた

▲代表者は判事に對して、要求者の大部分は掛引のない誠實なる評價を土台にして要求書を提出したのであるが、要求額と賠償率の間に大なる開きのあることを理解出來ず公正なる市價は賣手と買手の間の交渉によつてのみ生れるのに、提議には此の點が少しも考慮されていないことを指摘した。

▲會談の間にバード判事と政府側のハンター辯護士から明らかにされた事の中には次の事がらがあつた

（一）判事もハンター氏も借家に關する統制は賠償率決定の上に何も影響はなかつたと强調し、此の統制のために賣値が安くなつたという例は一つもないと判事は言明した

（二）提議された解決方法はコーペラチヴコミテー及び政府側双方辯護士から提出した率によつたもいである

（三）これらの率は評價にのみ基いたものであつて要求額は考慮されなかつたものの如くである

（四）晩香坡以外の要求（歸還兵土地局扱いの分を除く）に對するばい償率は、晩香坡の分に對する率を土台とした

（五）歸還兵土地局扱いの方に對する八〇パーセントという率は、この部類に對する全部的なものであつて、各要求者が八〇パーセントづつ受けるという意味ではない。或者はそれ以上に、中には少いものもあるであろう。

（六）一二五パーセントというのはピレッヂ・オヴ・ミッションの財産にのみ適用するものでありそれは少數しかない

（七）判事の解決提議は交渉の過程を過ぎたものであつて判事の關する限りではばい償率は今や確固として決定しているところである。そこでばい償率增加のためには直接政府に交渉する必要がある

（八）提議を拒否している要求者も、右に準據すべきであつて、判事としては他の方法は考慮できない

▲新善太郎氏は（一）コーペラチヴコミテーから要求者に出した手紙は提議受諾に大きな壓力を加えたもので、欲すると否とに拘らず受諾するはかないものであつた。（二）要求者の大部分は眞實公正なる要求をしたものであつて、多くの要求者は總移動は戰爭から起つた悲劇だつたことを認識して要求を内輪にしたのであつたが　此の點からしても要求者の要求はカストヂアンの賣値と「公平なる市價」との開きを確實に現わしたもので、財産の値打は持主が一番よく知つている筈である——と述べ、判事に對してばい償率を引上げて「公正なる市價」に接近させる事に最善の努力を拂われたいと要請した

『ソ連の日本共產化』
引揚者を轉向させ得るか否かは
この數ヶ月間の經濟狀態に懸る

まだソ連に抑留されている九万五千の日本人送還が開始されて其の第一陣二千人が六月二十七日舞鶴入港の高砂丸で日本に引揚げて來たが、彼等の多くは比較的に若い下級者で身なりも割合によく、入港に際して多くは「インターナショナル」や「共產青年の歌」を高唱し「吾等は引揚げて來る一萬人のうちの日本共產黨の前衛部隊である」と言明するものさえあつた。これに關してワシントン發電は米國政府では、最近ソ連がマッカーサー司令部の日本勞働者に對するストライキ抑壓を非難して居ることや日本共產黨が通信鐵道從業組合を支配しようとしていること、更に共產黨が共產支部との貿易促進に乘り出していることなどを擧げてこれはソ連が內面から日本を共產化しようともくろんでいるものだと心配していると報じて居る。一方東京の占領軍當局も此の事態に關してまだ確言は出來ないが、共產主義者の日本政界に及ぼす影響については重大關心を拂つていることを明らさまに言明している。しかし今回引揚げて來た「共產主義者」のグループも、これまでに歸つて來たもの同樣に、やがてはソ連で數え込まれたことを投げすてて反ソ陣營に入つて行くであろうと見るものもあり、それは主として向う數ヶ月間の日本の經濟狀態の如何にかゝることであるのだが、この向う數ヶ月間というのは、日本政府の切詰政策によつて多數の失業者が續出する時期に相當しているのである

爲替新レート要求
四〇〇＝四五〇圓でボンドに對抗

【東京發】四月二十五日から實施された三百六十圓レートは米國を中心とした物價の漸次下向によつて相對的に圓高レートとなり、輸出產業に苦悶の色がだんだん濃くなつて來ている上に、米國筋で傳えるボンド(英貨)の平價切下げは必至だとする見解によつて日本品の輸出區域であるスターリング・ブロックは根底からゆるがされる事になるので日本政府が考えている輸出振興策ぐらゐでは覺束なくなりボンドの平價切下げと共に圓のレート修正論が有力化して來た。三百六十圓レート設定後五月以來の輸出の實績は大したものでなく、國內的にもこのレートは苦惱に陷つている。もしかりにボンドの切下げが斷行されるとすれば、英國商品とまともに太刀打ちが出來なくなり、日本品は非常な苦境に立つわけで、消極的な日本商社の進出とか民間輸入を圖るぐらいの手段ではとても追いつかず、四百圓または四百四十圓レート採用によつてのみボンド切下げに對抗できるとする意見が強力であるという

A FIGHTER AGAINST INTOLERANCE

Frank Sinatra has a fighting heart. In his one-man crusade against intolerance he has laid his career on the line. There is hardly a place in this country where a hate merchant cannot promote himself a living by setting colour against colour, race against race and religion against religion. Sinatra could, therefore, find enemies everywhere.

Early last November there was a strike of students at Froebel High School in Gary, Indiana where white boys were striking against the presence of Negroes in their classes. Racial tension ran high and there was a danger of the strike spreading to the five other schools in Gary. Sinatra at his own expense, went to Gary to talk to the youngsters at the invitation of a parent's group organization and the Youth Builders of America.

Before he went to speak to the 6000 kids in the auditorium, he and his manager put in a good deal of time in investigating the causes and the factors which lay behind it. From a luncheon given by a group of students he learned of the many nationalities and the "isms" that were involved. He was led to believe that there were two politicians behind this strike.

That night of the meeting the young fellow with the supposedly frail physique and gentle aspect let go with both barrels. He told them of the things that he had learned in his investigation and he spoke of the American way of equality for all. The youngsters sat hushed and at other times cheered and yelled for Sinatra for they were seeing a man who was battling for the principles of the country in which he believed.

Gary was a seething turmoil after the affair with Sinatra under attack from many factions. The strikers did not return and his visit was pronounced a failure. His press was not good but the strike did not spread to the other schools.

This is just one instance of his constant fight against discrimination. The media by which he lives are the radio, the stage, the moving pictures, the night clubs, and records. He is the target of appeal for every "drive", charity or benefit. Yet he has found the time and the strength to earn eight awards from various groups for his fight against racial hatred, bigotry and intolerance. He has talked to youth congresses, rallies, forums by the dozens and he has talked to the kid on the street. He has set out to fight singlehanded with the tremendous power of his prestige and influence over youngsters throughout the nation.

Sinatra was born December 12, 1917, in Hoboken, N. J. In his high school days he saw the Klu Klux Klan and their fiery cross of intolerance organized-for-profit burning against the night sky. Together with his father and other Americans they drove the Klan out of their corner of the U.S.A. From his childhood he began his fight.

He was on the championship team in Hoboken, won a trophy in swimming and was an outstanding member of the track team. He sang with his school band and helped form the glee club. He always liked to sing but it wasn't until he had taken his best girl, Nancy Barbato, to see Bing Crosby that he was convinced that he wanted to become a singer.

Sinatra had ambitions of becoming a newspaperman. Upon graduation he got a job on a paper as a copy boy and finally got a job in the sports division. His first break occured when he won first prize in Major Bowes' "Amateur Hour" singing "Night and Day". For a period he got odd jobs singing in radio stations and in 1939 Harry James offered Frank the featured singing spot in his band. From James he went to Tommy Dorsey and he began to attract the attention of everyone. His recordings of "I'll Never Smile Again", "Night and Day" and "This Love Of Mine" skyrocketed the Dorsey record sales to the top. Sinatra became the byword of every music fan.

He has made many movies, "The Kissing Bandit", "Miracle of the Bells", "Take Me Out to The Ball Game" and "On the Town" being some of his latest.

Toronto fans are lucky, for this same Frank Sinatra is appearing at the Mutual Arena on July 8 and 9 with the Page Cavanaugh Trio.

Annual Conference Held By United Church

HAMILTON, ONT. — Mrs. M. Matsui of Cayuga was one of the guest speakers at the fourth annual Hamilton Conference of United Church Women held at the McMaster University on June 7, 8, 9, and 10.

Delegates from Owen Sound to the Niagara Peninsula heard her speak on the work that is being carried on by the United Church amongst the Japanese Canadians. Mrs. Matsui paid tribute to all the W. M. S. Missionaries, both past and present, for their contribution and especially to Miss Florence Bird for her work among the evacuees in Ontario.

The W. M. S. of the Cayuga United Church is doing its part in showing goodwill to the Christian Japanese in Japan by sending regularly bales of food and clothing through Miss Leona Douglas of Cayuga who is doing Missionary work in Tokyo at the present time.

Li'l Westerns Manage Win Over Federal Coal

TORONTO. — The junior edition of the Westerns came up with another surprise win in beating Federal Coal 6-2 on June 27 at Earlscourt Park. Together with their two victories with the N. T. Lions, this win gives them a record of three wins and eight losses.

Uchikura went the route, scattering seven hits and outlasting three Federal pitches in winning his first game of the season. Daring baserunning featured the Western offensive with Takata pacing the hitting with three singles.

Busseis Conclude Spring Bowling League With Presentation Of Trophies At Social

TORONTO — The Toronto Busseis formed a Mixed Bowling League in late April. Consisting of eight teams, it had a short but successful seven weeks of bowling. In the eighth week, the Hot Shots concluded the season on June 8 by winning the playoff game.

A wind-up social was held on June 25 at the Ukrainian Hall. The Bussei challenge trophy and the individual trophies were presented and the latter part of the evening was comprised of games and dances.

The Hot Shots, winner of both the League and playoff games, walked away with the trophy; Jack Watanabe, Jack Shimizu, Hideo Matsumoto, Nellie Goto, Misao Furuya and Marie Hashimoto were members of the winning team.

Individual trophies were presented as follows: Men's high average (215) to Scotty Amemori, Ladies' high average (213) to Kay Mitsuhashi, Men's high triple (743) to Tomio Nishikawa, Ladies' high triple (725) to Nellie Goto, Men's high single (332) to Tak Hayashida, and Ladies' high single (315) to Mary Mori.

Bussei Picnic Held In Ideal Weather

On a day that was perfect for picnic, seven busloads as well as many private cars of Bukkyokai, Fujinkai, Bussei, Starlighter and Sunday School members spent an enjoyable day at Puckrin Park on June 26. Located just otside of Ajax, the place proved to be ideal for a day of outdoor relaxation.

The program for the day consisted of games, races, swimming, softball, bingo and other forms of amusement which were enjoyed by all. The picnic concluded with a fuku biki in which the prize winners were Mrs. Aiko Koyanagi, Alice Tsuji and Mickey Amano.

On arrival at the picnic grounds, a short morning service was conducted by Mr. Charles Nekoda.

The Toronto YBS wishes to thank Mr. Uchikata for his donations towards the picnic.

Montreal Fellowship Group Has Varied Program: Picnic At Cap St. Jacques Changed to July 9

MONTREAL. — The Fellowship Group held its final two meetings of the present term at the Church of All Nations.

June 10th saw the members play hosts to their parents and friends. A varied programme of piano and vocal selections, Japanese songs by girls clad in kimonos, and a comical skit was presented and enjoyed by all. The worship period was led by Miss Lily Uyeda.

"International Night" was the theme of the meeting held on June 24th when the Fellowship Group invited members from the International Y. Negro Union Church, Italian United Church, Chinese group, and the young people of the Church of All Nations.

Dr. M. Bourne of the Christian Endeavor Group of Union Church conducted the worship and the Negro young people led the sing song. A group of displaced persons who have arrived from Europe within the past year and a half and who are members of the Russian Ukrainian Baptist Church sang several selections in their native tongue. Also singing in their native tongue were three Italian girls, one dressed in the national costume. Representing the Japanese were Mrs. K. Miyazaki who played a selection on the Koto and John Shintani with his rendition of the well-known "Ko-jo No Tsuki".

Dressed in nihongi and adding a most colourful atmosphere to the scene were Mickey Nakashima, Rei Nishio, Timmy Yamamoto, Ruth Yano and Barbara Yonemura.

Contrary to previous announcements, Fellowship's joint Issei-Nisei picnic to Cap St. Jacques will be held on July 9, and not on July 10. Special buses will leave from the Church of All Nations at 10:00 a.m. Return fare is $1.25 plus 20c admission to the beach. Those who work in the morning can get to the beach by the regular buses which leave from the terminus behind Dupuis Freres and fom the North End Terminus. We hope you are planning to make this a family affair and urge the Isseis to turn out and share in the fun.

Onuliak Hurls No-Hitter At Nisei In 2-1 Win ANAF and Nisei Struggle To Ten Inning Draw

FORT WILLIAM, Ont. — The Lakehead Nisei were winless in two ten inning struggles in the Lakehead Senior League last week.

On June 27 they were edged by the Great Lakes 2-1 when Albert Onuliak pitched a ten inning no-hitter at the Nisei. The eighteen year old rookie baffled the Nisei as he struck out twelve men but missed out in a no-hit no-run game because of a costly error in the eighth. The Nisei succeeded in getting the ball out of the infield in only three occasions on flies to the fielders.

In the eighth Okada got a walk and stole second. Onuliak struck out the next two batters but third baseman Bradley threw short on Tatebe's grounder to score the Nisei run.

Tatebe on the mound for the Nisei scattered four hits but had to contend with four errors by his mates. Bodak's hit in the second together with a steal, a wild pitch, and an error accounted for the first Great Lakes run. In the tenth a walk, a single and an error gave the Lakes the winning run.

Muts Baba who pitched a four hitter was given very poor support on the field. The Nisei clouted ten hits off Auld, loaded the bases in the seventh and eigth innings and did everything but win. Trailing 2-0, going into the ninth, the Nisei combined two hits and a walk to tie the game.

In the third Taniwa dropped a fly ball at shortstop and Alex Birakow promptly deposited one of Baba's speed balls over the left field wall. Baba lined a scorcher to shortstop to start the ninth inning rally. A walk to Taniwa followed and Okada drove them both in with a single. Darkness forced the teams to remain in a deadlock in the tenth.

Kitaura Injured In Head Team To Sponsor Dance

KELOWNA, B. C. — Bad luck struck the Rutland Cubs in their tilt with Revelstoke in the Interior Baseball League. Jim Kitaura, star outfielder, was seriously hurt when he was beaned directly on the head as his attempt to bunt failed. Jim was taken to Kelowna General Hospital where he underwent a successful operation for severe haemorrhage. His condition is reported as being fair and he is progressing favourably.

On June 19, the Kelowna fans went home elated as they saw Mits Koga hurl the Rutland Cubs to a well-earned 3-1 victory over Salmon Arm at the Rutland Park Oval. Koga had hitherto been on the sidelines because of a broken wrist he had suffered in the hockey season. His comeback will help to determine the Cubs' standing in the league.

On August 3, the night of Kelowna's 43rd Annual Regatta, the Kelowna Nisei Baseball team will sponsor a benefit dance at the Rutland Community Hall as an aid to Jim Kitaura. Prizes are to be given at the door as a special attraction.

Our Little Woman

By JACK NAKAMOTO

The sixth in a series

In most cases, if our little woman has bowlegs, it's as obvious as night and day; and yet, there are some which are hardly discernible even to a critical eye. It's known that impresarios of show business resort to some quick and handy guide by which to choose candidates for a chorus' line. To see if the legs are straight and shapely, they invariably ask the girl to close her legs and if her knees, calves, and ankle bones touch, it's considered then that she hasn't a semblance of bowleggedness. While this may be a good criterion also for detecting a knock-kneed condition, it doesn't hold good for thick legs, sometimes more mockingly termed "daikon ashi".

At first, it's necessary to face the fact that bowleggedness doesn't lend itself readily to improvement through exercise. It's the curved structure of the bones rather than the muscles around them that cause bowlegs. There's much more hope of overcoming bowlegs in early life than there is later on. Braces could be used with success when our little woman is still in a growing-up stage, and if they're prescribed by a bone specialist. However, if she has an extreme pair of bowlegs, she can have her legs straightened out successfully by bone surgery. It's sometimes claimed that bowleggedness is brought about if our little woman as a wee tot has been allowed to walk or even toddle for hours on end when the bones of her legs were still soft and undeveloped.

There are several corrective exercises which have actually proven themselves to be beneficial in improving the bowleg condition. However, it cannot be stressed too highly that these exercises must be carried on ever faithfully over a period of time if our little woman hopes to see any improvement.

Here are the two most effective exercises: Our Niseiette should pull her legs as close together as possible whenever she's standing and hold them that way for as long as she can. The more she exerts herself the better are her chances of straightening out the legs. The advantage of this exercise is that it can be indulged in many times without having others know it. Another exercise for our little woman with bowlegs is to sit on the floor with her legs stretched out in front of her, leaning back on her hands. Then she should raise her hips from the floor, keeping her legs stiff as she rotates them outward. She should hold herself up a few moments and then return hips to floor. It would be advisable for her to repeat at least 10 or 15 times morning and night.

To slenderize the "daikon ashi", 3 separate sets of exercises for 3 different parts of the legs are required, and each exercise has two parts to it. For "daikon ashi" are legs that are thick all the way down from the knees to the ankles.

For thick meaty knees, our little woman first of all shoud sit on the floor, leaning back on her hands. She should pull her knees up, then open them and bang them together, remembering to keep her feet planted together on the floor. For the 2nd part of the exercise, she should knead the excess fat on the outer and on the inner side of her knee.

For calves it's a spanking exercise. Our Niseiette should again sit on the floor, leaning back on her hands. She should draw one knee up toward her. Then snap it out straight and down, pulling her toes toward her as she does. Now the other one. This will bring the calf down hard on the floor. For the 2nd part of the exercise, she should cross her legs and again knead the calves with her hands, back and forth.

And finally the exercises for the thick ankles which are actually the root whereby the shape of "daikon ashi" is formed. First of all, our little woman should lie flat on her back on the floor, pulling both knees up to her chest and raising her legs straight up in the air. Then she should pedal with her ankles only, as if she were riding a bike. She must not use her legs, as this is just for the ankles. The latter part of the exercise consists in her sitting up and then pulling one knee up and placing her foot so that the ankle muscles are at ease. Then she should knead her ankles with both hands back and forth.

Each part of the exercises should be done at least 20 times, and if all these exercises are followed through faithfully for six weeks or so, our little woman will eventually find herself with a lovely pair of legs—the eye-delight of every man!

Morton Grodzins Pulls No Punches In Writting About Evacuation in his "Americans Betrayed"

Although we have not seen this new book on the evacuation of persons of Japanese ancestry from the U. S. Pacific Coast, all advance reports suggest that it gets down to the real motives behind what the author calls "a disastrous political decision". It is being published by the Chicago Press.

The jacket of "Americans Betrayed" has these words which describe in synoptic form the content of the book:

"Citizens driven out of their homes and herded into barbed-wire pens, their places of business searched, their personal possessions seized, their reputations publicly maligned—could this happen here?

"These were the results of a disastrous political decision. This book is a closeup of the pressure politics that led to that decision.

"Here are the facts. Here are the mayors, chambers of commerce, governors, and congressmen stiring up public opinion against Japanese Americans. Here are Army generals responding to public and political pressures and later attempting to justify their 'a Jap's a Jap' policy by the denial of undeniable facts. Here is Congress carrying out the War Department's wishes without investigation. Here is the United States Supreme Court upholding as constitutional a policy that subverts the basic tenets of democracy.

"Mr. Grodzins traces carefully the steps that led to the adoption of evacuation of Japanese Americans as national policy. His book is not merely a scholarly record; it is also a warning to each American citizen that the precedent is on the record and that he may some day fight himself in the situation of the Japanese Americans after Pearl Harbor — disfranchised, expropriated, and confined."

Writes Larry Tajiri, in the Pacific Citizen, "the book will make clear the effect of the **pressures exerted by racist groups and by competitive commercial interests upon the military treatments of the west coast Japanese American population after Pearl Harbor.**

The contents of the book probably will have great effect on history's evaluation of the mass evacuation policy. It adds facts and documentation to Prof. Eugene Rostow's statements that evacuation was "our worst wartime mistake."

"It is apparent that Morton Grodzins' book will make uncomfortable some men who now sit in high places. At the same time it should serve to clarify the thinking of a lot of Americans, including the evacuees themselves, on the causes of the evacuation decision. The publication of this book should do much to insure that mass evacuation on the basis of race or ancestry does not happen again in the United States."

Togo Tanaka in his colum, wrote, "'Americans Betrayed' is the kind of a report on the whole mess of mass evacuation that we used to hope someday would do. We wished for it the most when we were holed up in that barbed-wire enclosure called Manzanar."

"It tells how the government arrived at the decision to give the American Japanese the unprecedented bum's rush out of California, Washington, Oregon and parts of Arizona," Mr. Tanaka adds.
